Re: Pete Ciaccio and Kenbrooke Roofing Inc.

To Whom It May Concern:

I am writing this letter as a recommendation for Pete Ciaccio and Kenbrooke Roofing Inc. Feel free to call me at the above number or my cell phone 402-968-8524 if you have any questions.

I have been an Attorney in the Omaha and Sarpy County area for a period of 34 years. I have known Pete for approximately the last 15-20 years. I do also serve as his Attorney.

Pete is an honorable man who has been involved with the roofing business for the last 26 years. He worked side by side with his father for most of those years before deciding it was time to venture out on his own. He has all the expertise that you could want in seeking a roofing contractor.

Besides his business accomplishments I have found Pete to be a wonderful human being. He has worked with me on numerous community service and charitable projects and is an active member of the St. Bernadette Men's Club. He is a community volunteer with that organization and further volunteers his time in coaching young children. I can hardly think of a person who has his roots firmer in his parish and community.

Pete, though only out on his own for a short period of time is a good fit for your project. He is honest, reputable and has an eye for detail, something you don't always find in the roofing business. He is not a company that comes in for a short period of time and flees the city. He is firmly rooted in this community and his business reputation is more important to him then profit.

Sincerely yours,

Gregory A. Pivovar
